

Ultimate Breacher Tool (UBT) BRO-UBT-24D, BRO-UBT-26S, BRO-UBT-29F

BROCO[®]

The multi-purpose breaching tool.

Designed to be the one simple tool for First Responders, the Broco Ultimate Breacher Tool (UBT) combines four tools into one: a sledge, pry, ram and rake.

Whether it be an active shooter event, medical related or some other emergency, the first person on-scene needs basic entry capability that is easy to carry, easy to use.

The Pry Tool

Cold cut from AR500 armor plate, the UBT's pry head is tapered, angled and strong! The pry tip is 1.25" wide allowing it to also be used as a duckbill with lateral spreading capabilities.

The pry head is welded to a high strength chrome-moly shaft. The slotted sledge head wraps around that assembly and is welded in place. The shaft is reinforced with a 6" X 1" diameter solid steel insert for unparalleled strength.

The Door Ram

Reverse the grip on the handle of Broco's UBT and swing it across the body; the tool head becomes a ram for striking residential doors. The 'D' handle version is intuitive to ram with, allowing the operator to get plenty of power

UBT and swing it across the striking residential doors. to ram with, allowing the operator without his hands slipping.

The Rake

At some point someone will need to break a window and has incorporated a glass rake efficient clearing of broken

when they do, Broco to the underside of the pry tool for glass from the window frame.

The Lock Breaker (UBT-29F)

The newest version of the UBT incorporates a 'halligan' fork at the end of the handle for breaking padlocks and better levering of inward swinging doors. When used with the Broco Jimmy as a wedge, this is the UBT that enables one person do it all!

The Sledge

The UBT starts with an 8 lb sledge head, machined to fit the pry tool and handle. The sledge is used as a hammer to break, bend and open. When used with another UBT or Halligan, it will set the pry tip deeper in the gap.

BRO-UBT-26S, 26" OA length, 12 lb.

BRO-UBT-29F, 29" OA length, 14 lb.

BRO-UBT-24D, 24" OA length, 14 lb.

Hands Free Carry With a Single Point Sling

Broco's Ultimate Breacher Tool has a sling cup set into the top of the head for easy carrying using the included single point quick detach sling. An effective tool must be accessible to the operator and this method keeps the UBT at the ready without interfering with an operator's use of his weapon when approaching a target building.
