

9" Electric Cutoff Saw Set BRO-60V-9CS, "The Little Quickie"

BROCO[®]

More Depth of Cut, More Power & Longer Battery Life!

Featuring Broco's 9" Diamond Ripper™ rescue blades, this 3/4 scale electric "quickie saw" bridges the gap between other tools and a gasoline saw.

With the advantage of instant start and featuring a blade brake for safety the 9" electric cutoff saw races through steel, concrete, poly carbonate (Plexiglas), and laminated glass.

Saw Features:

- More power
- Depth of cut
- Light weight
 - * 60 volt brushless motor
 - * 9 amp, longer lasting batteries
 - * Instant startup
 - * Blade brake
 - * Easy to carry
 - * More control

Diamond Ripper™ blades feature

- Double layer diamond brazed cutting edge
- Solid core construction
- Extra long blade life
- Smooth performance

A stronger portable saw to do it all!
