

Hydraulic Spreader Entry Tool Set BRO-CF3-Kit

BROCO[®]

New from Broco[®], the forced entry torch leader-
CF-3 (Crow's Foot) Manual Hydraulic Spreader

- **Made in the U.S.A. hydraulics**
- **Constructed from high strength steel**
- **Rotating swivel prevents hose binding**
- **Coupler at spreader assembly prevents hose kinking**
- **Couplers on both pump and spreader make for easier carrying and storage**

The CF-3 (Crow's Foot) hydraulic spreader assists in opening all types inward and outward opening doors. Ideal for distorting/destroying security gates and window bars.

Machined from hardened billet steel, the CF-3 has unbelievable strength and maximum reliability making it tougher than forged competitors. The unique 90° hose swivel enables it to be easily utilized in all positions.

- **10' long hose for extra reach/standoff**
- **Uses standard lightweight hydraulic fluid**
- **Uses common size/type no-spill connectors**
- **Replacement claw parts available for increased tool life**
- **User serviceable**

Fast opening spreader ram has 5 inches of travel. CF-3 delivers up to 5 tons hydraulic power.

Lightweight aluminum hydraulic pump body. Two sets of hose quick disconnects make for easier carrying and more compact storage.
